

Gingerbread House Party

Help us make Christmas merry and bright for the kids.

We need to collect 45 gingerbread houses and lots of candy (for decorating the houses).

CONCIERGE BY DECEMBER 6

In support of BeyondHome, MorningStar of Littleton is hosting a Gingerbread House Party for 100 children. The irony is not lost on us. These boys and girls are themselves without a home (living in temporary housing provided by BeyondHome). Yet we can raise spirits with the dinner and craft party we are hosting on December 14.
