“Tomorrow, is the first blank page of a 365 page book. Write a good one.”

— Brad Paisley

Mumtaz Aidarus

Mumtaz brightens the dining room with her radiant smile and sweet disposition. Everyone is always so happy to see her. Mumtaz is a true definition of our Radiance Service value “I build strong, respectful relationships with seniors, their families and my fellow team members”.

- Honor God in our business practices and relationships
- Value all seniors as gifted, contributing individuals
- Invest generously in our team members’ ability to serve well
